I, Joe Mazzocca, Jr., have been your Third Ward Councilperson since June, 2010, having taken over the position from my dad, Joe "Red" Mazzocca, Sr. , due to his illness.

I have made it my priority to work in harmony with the Mayor and Council to implement a city clean up to attract property and business owners.

Although I am unopposed this election, I will continue to make my constituents problems and concerns my main objective and make sure no phone call goes unanswered.

Thank you for your support.

Third Ward Councilman
